Vice Mayor McCarter called the meeting to order at 3:02 PM.

Vice Mayor McCarter presented proposed Operational Plan, Operational Costs and Income, and Tipping Levels. Mayor Waters expressed his support for the proposed location, operational plan and hours, but was opposed to the proposed fee for using the site, especially for short-term rental customers. Commissioner Hurst requested Admin Staff to talk to Sevier County Solid Waste, Inc. (SCSW) about the possibility of a “shoot” location at SCSW as opposed to a new site. Mayor Waters and Vice Mayor McCarter will look into this request.

Commissioner Whaley made a motion to check with SCSW on the possibility of a “shoot” and if that was possible to bring that solution back to the Committee; if there is not a possible solution to move forward with the proposed Operational Plan, Operational Costs and Income, and Tipping Levels but amend the proposed Tipping Levels (1-3) to a price point of \$10, \$20, or \$30. Commissioner Hurst seconded the motion. The motion passed unanimously.

Commissioner Whaley made a motion to adjourn. Commissioner Hurst seconded the motion. The meeting adjourned at 3:31 PM.
