Vice Mayor McCarter called the meeting to order at 4:10 PM.

Vice Mayor McCarter presented proposed map of existing and proposed convenience center sites to maximize usage in the county.

Commissioner Woods asked if the proposed site near Rocky Top Sports World, owned by Sevier County Electric System (SCES), would alleviate backups at the other sites in Gatlinburg. Director King said they think it will.

Commissioner Woods asked how many new employees would be need. Vice Mayor McCarter and Director King said there probably be three (3) full-time employees hired and maybe some part-time employees as well.

Assistant Mayor Rudder presented the Committee map/design of the current Centerview site with proposed changes.

SEVIER COUNTY BOARD OF COMMISSIONERS
Solid Waste Special Committee
August 21, 2023 4:00 PM

Vice Mayor McCarter informed Committee he had talked with the family that owns the land of the proposed Pigeon Forge/Wears Valley Convenience Center Site. The family agreed to a 45-day good faith contract, if that was the wish of the Commission. Commissioner Hurst and Commissioner Whaley expressed concern over the state of the current Pigeon Forge Convenience Center Site and that a move needs to take place, but agree that moving to this proposed site would cause more issues in the future.

Committee requested Vice Mayor McCarter to call the family and thank them for being willing to talk to and begin negotiations with the County, but at this time the County is not interested in their property.

Commissioner Hurst made a motion to adjourn. Commissioner Woods seconded the motion. The meeting adjourned at 5:15 PM.
