SEVIER COUNTY BOARD OF COMMISSIONERS

Water Committee – November 2024

November 7, 2024 3:00 PM

Commissioner Hurst recognized Mr. Sanders to give an update on the CDGB application. Mr. Sanders informed the Committee that it was just announced that applications for the CDGB grant are due March 7, 2025, and there are a couple of things that need to be completed before moving forward with the application. The two items needed are a Public Meeting and a resolution passed by the Commission.

Commissioner Hurst asked Mayor Waters if Commission would meet in January. Mayor Waters stated that Commission doesn't typically meet in January and that the resolution could be voted on at the December meeting. Director Sanders stated that the public meeting had to take place prior to the resolution being authorized and that plans would be made to hold the meeting prior to the regularly scheduled Commission meeting on December 16, 2024.

Director Shults gave an update to the Committee on how the Sevier County Water Department and water departments from the Cities of Pigeon Forge, Sevierville and Gatlinburg were able to assist with pumping water to Newport during the aftermath of Hurricane Helene and that no SCWD customers were ever forced to be under a boil water advisory.

Commissioner Chambers made a motion to adjourn. Commissioner Whaley seconded the motion. The meeting adjourned at 3:26 PM.
