- II. Old Business
- III. New Business
 - A. TDEC ARP Millican Grove and Power Springs Area Update
- IV. Other Business
- V. Adjourn

Commissioner Hurst called the meeting to order at 3:01 PM.

Director Shults and Mr. Campbell updated the Committee on the Sevier County TDEC ARP Water Line Extension Project Millican Grove and Power Springs area. The updated project could service roughly 90 new customers. Mr. Campbell estimated to finalize the initial total project would cost around \$2 million, but since plans are finalized if the project was to be finalized the County would only need to obtain an amendment from TDEC.

Director Shults informed the Committee on the possibility if other Tennessee counties have ARPA funds to return to The State those funds could be redistributed to counties with current projects in process. 2025 CDBG award notifications could be announced in October or November.

Director Shults updated the Committee on the Dupont area ARP project.

Commissioner Whaly made a motion to adjourn. Commissioner Chambers seconded the motion. The meeting adjourned at 3:22 PM.
