FAMILY WELCOME EXPERIENCE

ONLINE TRAINING - 3 COURSES AVAILABLE:

EARLY START

For parents and caregivers with children under the age of 3.

SCHOOL-AGED

For parents and caregivers of special education students ages 3 to 22.

ADULTS

For adults with developmental disabilities ages 23 and older.

WE ARE EXCITED TO SHARE

the Family Welcome Experience (FWE) online training program with self-advocates, parents and caregivers supported by Westside Regional Center. Our goal is to ensure equitable access to information about services that may be available to you and your family, either at WRC or in your local community, and how to obtain those services.
